

## **COVID-19 PROTOCOL UPDATE: 02/01/2021**

We are open for private testing and participant based events on a restricted basis. If you want to rent the tracks or skidpads, call us. Don't assume you cannot run your event here! *CALL US!* Several groups have already run successful participant based events observing social distancing and other COVID-19 protocols set forth by Thunderhill. As of February 1st 2021, the following restrictions and protocols are in place for anyone hosting or attending events at TRP.

### **UNTIL FURTHER NOTICE:**

- Masks / face coverings are **REQUIRED AT ALL TIMES**
- **NO SPECTATORS** - drivers/riders, crew, and event officials **ONLY**.
- The Thunderhill Grill & Gift Shop are open!
- Clubhouses are now **OPEN**. Mask /face covering are required at all times. No food allowed inside clubhouses. They are for personal cooling/heating and official activities only and at a limited capacity to allow for proper social distancing.
- Body temperature will be verified by non-contact infrared thermometer upon entry to the park, and anyone who measures over 100.4°F will be not be admitted.
- Children are not recommended. If children must be present, they will not be allowed to wander unsupervised. Keep them in your pit area.
- Please treat our local businesses with care, caution, and respect if you have a reason to visit them. The town of Willows is thankful for your business, but understandably concerned about exposure.

**If you have any questions regarding our latest protocols please contact [geoff@thunderhill.com](mailto:geoff@thunderhill.com).  
If you need assistance during a weekend event, please contact events manager
